**WHAT IS AN OUTPOST ADVENTURE?**

For the ultimate wilderness experience, don't miss L&M's unsurpassed outpost adventure – for the hale and hearty only. You'll find no wall-to-wall carpeting here! Just basic accommodations, scenery that's unmatched anywhere, and rugged outdoor life as it comes. We guarantee your outpost stay will be free of TV, telephones and cars. You'll bask in the absence of everyday pressures. Lean back and enjoy life without all the glitz. It's like stepping back in time and seeing for yourself what Lewis and Clark experienced. It's a great chance to be alone, and find ones inner self and marvel at what the good Lord and nature brings – wind, rain, or shine. Fast and furious, or slow fishing. It's all part of the great adventure.

# It's More Than An Ordinary Fish Story...

It's an extraordinary wilderness adventure that begins the moment you arrive at our chartered float plane base at Dryden, Ontario. We will load your gear on one of our float planes and fly you directly into one of our family-owned and operated outpost cabins, nestled deep in the unspoiled Canadian wilderness. Accessible by air, each of our remote cabins was hand picked for its superior fishing, and beauty. Walleye, northern, muskie, lake trout, smallmouth bass are available depending on which trophy lake you claim as your own.

outboard motors to take you to that honey hole. Spend the morning fighting northern and reeling in walleyes. Take a break and stop to fix a shore lunch of mouthwatering walleyes. Enjoy the crackle of the campfire, smell of woodsmoke, aroma of coffee brewing, along with the fish sizzling and beans simmering. Sit back and relax, take time to reflect on the beauty God has created, the majestic pines, pristine waters and the deafening silence. For it doesn't get any better than this. When it is finally time to say good-bye, you will leave with a lifetime supply of unsurpassed memories that will make you want to come back year after year.

Come experience the "best fishing", "best service", "best equipment" at the best prices.

About as far from the crowds as anyone could hope for, our outpost cabins offer most of the comforts of home in a rugged wilderness setting with unmatched beauty, peace and solitude. You can't expect fancy hotel fixings here, but you can expect all the basics you want ready and waiting for your arrival – starting with a fully equipped kitchen, dining area and sleeping area with single beds for each adventurer. Each cabin is also equipped with a wood stove for those chilly lake side mornings, we'll even have wood blocked for you to use. You'll find other useful things, too, like solar powered lights, propane fridge, stove with oven, hot water heater, BBQ grill, fish cooker, cooking and eating utensils, hot and cold running water, showers and lake maps.

We'll gladly provide some extras, too, if you want them, a food package or cold drinks, we'll do all we can so you can enjoy yourself in the company of family or friends. A unique brand of camaraderie awaits you here in your own lakeside corner of the world. Who'll be the first to reel in a trophy?

In the event of an emergency at home, the only way you can be contacted is by calling Larry and they will get a message to you.

Come morning, when you step outside into that crisp clean air you will find safe and dependable boats equipped with swivel seats and the finest

## DOBIE LAKE

142 AIR MILES

Only cabin on the lake.

Accommodates (12)  
3 bedroom  
Minimum party-  
Inquire  
walleye, northern  
FISHING: This dark stained lake has two flowages feeding into it to produce the quality and quantity of walleyes, and northern

every fishermen dreams of. Walleyes will run in that 2-4 pound range with a chance of one over 5 lbs. The potential for trophy northern is excellent with all the weed beds, it is northern haven. The chance for a fish over 20 lbs is a reality and will test your skill and gear. There is never a dull moment, if you aren't fishing, your thoughts will be caught by the call of the loon or cry of a timber wolf in the distance. The beauty and solitude will beckon you back again and again.

## FAWCETT LAKE

120 AIR MILES

Accommodates (10)  
3 bedroom  
Minimum party-  
Inquire  
walleye, northern  
FISHING: In a word "Fantastic", if you can't catch fish here, you won't catch them anywhere. This dark stained lake is

located on the world famous Cat River system where walleye and northern are king. This lake produces catches in the hundreds. With access into Gull and Zion, you have more water than a man can fish in a lifetime. No wonder anyone who fishes here once returns again and again to relive the experience and see what's beyond the next bend.

## WRIGHT LAKE

139 AIR MILES

Only cabin on the lake.

Accommodates (12)  
2 bedroom  
Minimum party-  
Inquire  
walleye, northern  
FISHING: This stained water lake is truly an angler's paradise with 5 interconnecting lakes to fish and explore. The wall-

eye fishing is superb with countless fish in the 2-4 lb. range and larger. As for northern fishing, it doesn't get any better than this. Lots of walleye and pike waters to explore. As one old guest said it best "If you don't catch one over 15 lbs, you had a bad day fishing". The right choice is Wright Lake.

## MEEN LAKE

133 AIR MILES

Only cabin on the lake.

Accommodates (8)  
2 bedroom  
Minimum party-  
Inquire  
walleye, northern  
FISHING: This stained water lake is the headwaters of the Meen River system. A medium-sized lake with countless weed

beds to cast or troll for trophy northers and scrappy walleyes to keep you busy. You are able to run down river to check out the fishing or a chance to sight moose or caribou. This is the perfect lake for the Spoon and Rapala fisherman. Walleye will run in the 2-4 pound range and pike up to 20 pounds. Are you and your tackle Meen enough to take on the Meen Lake Challenge?

## AUSTIN LAKE

118 AIR MILES

Only cabin on the lake.

Accommodates (6)  
2 bedroom  
Minimum party-  
Inquire  
walleye, northern  
FISHING: A smaller dark water lake with 4 portage lakes is perfect for those who like to explore lots of water while not being

on a huge lake. It has plenty of long winding channels and bays to explore, there is no shortage of hot spots on each lake to fish. It also has a canoe for those who want to venture even further into this chain of lakes where people seldom set foot. The fishing here consistently produces excellent catches of northers up to 20 pounds and all the walleye you could want in the 1-4 pound range—some topping 8 pounds! Come explore these waters yourself and enjoy the solitude and tremendous fishing.

## OTATAKAN LAKE

88 AIR MILES

Flush Toilet

Accommodates (12)  
3 bedroom  
Minimum party-  
Inquire  
walleye, northern  
FISHING: This dark water lake stretches over 10 miles through the Canadian wilderness before emptying into Root River. This

lake produces outstanding catches of walleye and northern from early spring to late fall. The hotter the temps are, the hotter the action. The lake has been referred to as a walleye factory as every reef and bay holds fish. The sheer numbers will keep novice or pro happy with its steady action. A perfect lake to take the family.

## FISHTRAP

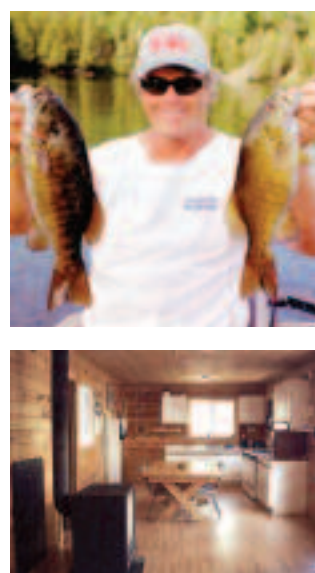

47 AIR MILES

Only cabin on the lake.

Accommodates (6)  
2 bedroom  
Minimum party-  
Inquire  
smallmouth bass, walleye, northern  
FISHING: This stained water lake is perfect for the outdoor enthusiast who likes to portage and

explore. Fishtrap is noted for its abundant northern pike and feisty smallmouth fishing, along with trophy walleye. The one portage is only a 100-yard walk with boat and motor waiting, into a fast-action walleye and northern lake. The other portage also has a boat waiting, but is a 3/4 mile walk to an un-named walleye lake visited only by a few fishermen each year. No matter if you portage or not, the peace and solitude are breathtaking. Fishtrap will keep you coming back for more with its sand beach for swimming, weed beds for trophy northern and rock reefs for smallies.

## HOW TO REACH US

If you're coming by vehicle, drive to International Falls, MN and cross over into Canada to Fort Frances, Ontario (first town on the Canadian side after you cross the border). Follow signs for **Highway 11 East** straight through town down the main street (which is **Scott Street**). This curves to the north, but stays Hwy 11 East. Go across the **Noden Causeway Bridge** and continue on approximately 13 miles to **Highway 502** heading North. Follow Hwy 502 for 90 miles to **Wabigoon Lake Road** (just south of **Dryden, Ontario**).

If flying commercially, you can fly directly into **International Falls, MN** and have a cab/taxi bring you to **Dryden, Ontario** on **Wabigoon Lake**. Or you can fly directly into **Dryden, Ontario** and clear customs in **Winnipeg, Manitoba** or at **Thunder Bay, Ontario** before flying into **Dryden**.

**We hope to see you there.**
